Dear Charles,

Colombian Patent Application 94.007609
Philip Morris Products Inc.
Our File: 34507

1550/1697

Following our recent telephone conversation I write to confirm that I have instructed our Colombian associates to reply to the outstanding Official Letter by amending the description and claims as necessary to meet the formal objections and by filing divisional application based on the lighter claims. For your records I enclose a copy of the two sets of claims which will be filed in Colombia marked "parent" and "divisional". These claims are still subject to any comments our Colombian associates may have.

I shall let you know when I have confirmation that a response has been filed and that the divisional has been lodged.

Yours sincerely,

PATRICK A.D. LLOYD
